

HOUSE PLANTS & FOLIAGE

**FOR THE APARTMENT, HOME,
OR OFFICE**

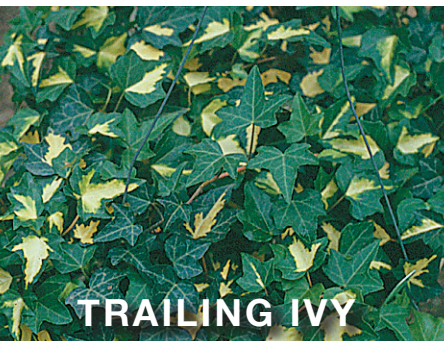

Plants especially evergreen tropicals are making a big comeback as decoration & ascetics for the home and office. Live plants will bring color, style and warmth to any indoor living space. Natural decorating and accents...We have containers made of ceramic, clay, metal, wood and stone in colors and styles to match any decor.

Custom Potting Service

Available for all plants & containers purchased from Wentworth.

See store for additional details.

ColorScaping for Indoors & Outdoors

Inside :Brighten up your spring table with Shamrock, Orchids, Cyclamen, Kalanchoe, Gerbers Daisy, Tulips, Daffodils and other instant indoor colors.

Outside: It's time to plant primrose, spring pansies, hardy petunias and soon geraniums. Many times we will mix early blooming perennials with spring annuals in our doorstep pots.
