FALL EVENT CALENDAR

CELEBRATE THE COLORS OF FALL

Discover the plants that make fall landscapes shine! We'll explore colorful annuals, perennials, and shrubs that add beautiful blooms, foliage, texture, and seasonal interest to your garden.

The class is FREE to attend! Learn how to choose and combine plants to keep your landscape full of color throughout the fall season. After the class, **create your own fall dish garden for \$45.**

ASK THE EXPERT DAY!

Have questions about your lawn, garden, plants, or landscape? Ask the Experts! Stop by and chat with our knowledgeable team, get helpful advice, and find answers to your gardening questions, all while enjoying a fun fall day at the nursery. **This event is FREE to attend!**

Enjoy tasty food, play fall games, meet our experts, and celebrate the season with us. Bring your questions and come ready for some fall fun!

GREENER GRASS STARTS THIS FALL

Learn the essentials of fall lawn care, from proper seeding and soil preparation to fertilizing and watering for a healthier, greener lawn. We'll walk you through the steps for successful fall lawn renovation and answer your lawn care questions.

Plus, each attendee will leave with a sample of grass seed and starter fertilizer to help put what you've learned into practice at home!

BUZZ, BLOOM & GROW

Learn how to create a beautiful garden that welcomes bees, butterflies, and other beneficial pollinators! We'll cover pollinator-friendly plant choices, how to provide food and habitat, and simple ways to make your landscape more inviting to local pollinators.

The class is FREE to attend! After class, participants can **make their own Pollinator Seed Ball for FREE** to take home and plant in their garden.

DEER-SMART LANDSCAPING

Learn how to create a beautiful landscape with deer in mind! We'll cover deer-resistant plant choices, smart planting strategies, and helpful tips for reducing deer damage in your garden.

The class is FREE to attend!

After class, participants can choose to create their own **Deer-Smart Planter for \$30, featuring a selection of deer-resistant plants to take home and enjoy.**

GROW A BACKYARD HARVEST

Learn how to grow a backyard harvest with fall vegetables, fruit trees, and berry bushes! We'll cover what to plant in fall, planting and care tips, and how to get your edible garden off to a great start. The class is **FREE to attend!** After class, participants can choose

to plant their own Fall Salad Bowl for \$15, filled with cool-season veggies to take home and grow.

THRIVING INDOORS: WINTER HOUSEPLANT CARE

Learn how to keep your houseplants happy and healthy through the colder months! We'll cover how to adjust light, watering, humidity, and everyday care to help your indoor plants thrive all winter long. **The class is FREE to attend!** After class, participants can **create their own Propagation Jar for FREE**, complete with a plant cutting to take home and grow.

A BACKYARD FOR THE BIRDS

Learn how to turn your backyard into a welcoming haven for feathered friends! We'll cover the best foods, feeders, plants, water sources, and habitat features to attract and support a variety of backyard birds throughout the seasons. **The class is FREE to attend!** Following the class, participants can **make their own bird feeder for FREE** to take home and welcome birds to their backyard!
